We continue having the regular worship on Sunday morning, and Bible school after the worship. The group of adults are studying the theme “The book of Acts,” the group of youth are studying the theme “Friend in Christ,” in the afternoon the group of men are studying Hermeneutic and How to sing, the group of women are study the theme “The Fasting,” and the group of girls had their own meeting the first Sunday of the month and this time they study the theme “Remember your Creator.” Also every third Sunday of the month, we have a little seminary teaching to all the servers whose are working in different ministries of the congregation, with the purpose to teach “How we can have more conscience about the wonderful work for God.”

We continue with our different cell around Santa Ana city, and doing personal evangelism every day of the week. Also this month we take again twice the group of evangelism to personal evangelism around many streets in Santa Ana. We find more Bible students, hoping that one day they decide to be Christian, because so far our people find it hard to open their heart to God, but we are doing our job to God, and praying to him to make His work with these peoples.
