IT'S ALL ABOUT JESUS: A STUDY OF COLOSSIANS

alvin poole & quinten robertson // kaleo

Apostle Paul centers the Colossian church on supremacy of Christ in a winsome but challenging call to focus our discipleship on the ONE who is both Creator and Redeemer. This class will drill down on sound doctrine and the virtues that the Holy Spirit cultivates in the lives of believers.

IN DEPTH BIBLE STUDY

mark brannen & jason west // ministry bldg rm 103

In this class, we will dive deep into the scripture. We will read selected passages from the Bible and discuss what we have read. Come prepared with your Bible ready to dig into the Word of God.

THE PARABLES OF JESUS IN LUKE

george mearns // ministry building room 104

We will look at the Biblical, historical, and cultural context and the surprising twists and turns of Jesus' brilliant storytelling and the lessons we can still learn today.

YEAR TWO OF JESUS' MINISTRY

bob klemm // ministry building room 105

We will be in the 2nd year of Christ's 3-3-1/2 year ministry. This is Jesus' ministry year of great tension. On the one hand, His popularity is growing because of His miracles; yet His message is not understood nor accepted by many, and on the other hand, the Jewish leaders' hatred of Jesus is growing because of His message and popularity with the people. This 2nd year of Jesus' ministry is highlighted by the call of the 12 Apostles and Sermon on the Mount.

A FRESH LOOK AT PAUL, HIS LIFE AND WRITINGS

charles mickey // ministry building room 114

Most Christians know a little about Paul, maybe much more than a little, but it's always a good idea to take a fresh look at this man of God. This class will give you an overview Paul's life, offering information from even before the day he helped kill Stephen, all the way to his own death. What a change that took place between those two deaths! We will try to get into the motivation for the hard work and sacrifice he gave for the cause of Christ? His greatest concern? What can we learn about him from his letters in the New Testament? Come and be amazed again at the power of one life lived for Christ!

STRANGERS IN THIS WORLD

dick miller // ministry building room 115

Apostle Peter encourages and inspires the church with two powerful epistles that challenges us to remain faithful by holding onto the core teaching and values of Jesus. These letters find Peter and the end of his life and facing his own cross. Come join the discussion as we explore the teaching of an apostle who was a vital member of Jesus' inner circle.

SUNDAY MORNINGS
10:45-11:30 AM

STRANGER GOD: MEETING JESUS IN DISGUISE

josh andreas // main building room 202

This class will explore what hospitality and love look like when they are lived out with the least in God's Kingdom. We will lean into Jesus' teaching from Matthew 25:31-46 with the expressed purpose of learning what it means to pursue the people that Jesus passionately served in His ministry.

AMOS: GOD'S CALL FOR JUSTICE AND RIGHTEOUSNESS

michael montalvo // main building room 203

The book of Amos challenges believers to be aware of how complacency and arrogance can seep into our lives. Amos takes a "no holds barred" approach as he confronts and speaks life into the themes of complacency, repentance and injustice. This farmer turned prophet is especially aware of the harsh treatment of the poor and under-resourced by the religious leaders and nobles of his day. We will pour into the hard-hitting faith lessons of Amos as we consider similar struggles in our society and immediate communities.

What is SOURCE?

At Bammel, our goal is for our adults to be transformed into the likeness of Jesus Christ through time spent in His Word: to be fed, encouraged to self-feed, and to be held accountable by our church family.

Source is our adult education program, where we come to see that, in order to pour into others, we must first be filled by the source of all life. In our Bible classes, we will accomplish that through focused studies divided by age group or study topic.

Children's Classes

We offer classes for infants-5th grade from 10:30-11:30. Children are able to explore biblical themes and concepts on their own level in an engaging way through activities, lesson time, crafts, and more.

For more information on our children's ministry, contact children@bammel.org

Teen Classes

Sunday morning teen classes are located in the Teen Center from 10:45-11:30. Teens also have activities and opportunities available on Wednesday nights and Sunday nights.

For more information on our teen ministry, contact teens@bammel.org

Finding Community

We believe in the importance of doing life together through life groups (small groups meeting in homes), support groups, Bible classes, women's groups, serving groups, and more. If you haven't yet found an area in which you can grow in your faith alongside other believers in Christ, we'd love to help you do that! Contact Michael Montalvo at michaelm@bammel.org.

Women's Studies

Is scripture still relevant to our lives? As people who claim the name of Christ, we believe it is crucial to continue growing and strengthening our faith. Our Bible studies are an excellent place to do that while meeting and building relationships with other women. Women's Bible studies are offered in the fall and spring, on Tuesday mornings.

Staffed childcare is provided free of charge for our Tuesday class. Wednesday evening childcare is available through our regular children's classes.

For more information about our women's ministry, visit bammel.org/women

Wednesday Meal

Prior to class time in the spring and fall quarters, we serve a hot meal every Wednesday beginning at 6:00 PM for just \$4 per plate. Our cooking and serving teams look forward to welcoming you!

Support Groups

Recovery and support groups are one of the vital ways we pour into each other in times of crisis. Whether due to our own mistakes or unexpected circumstances, sometimes life takes a turn we don't know how to handle alone. If you or a loved one find yourself in a difficult place, please consider attending one of our groups. Our facilitators are experienced, caring people who want to walk alongside you through this season in your life. For more information about our support groups, contact Michael at michaelm@bammel.org

Children's Classes

We offer classes for infants through 5th grade, as well as teen classes, on Wednesday evenings from 7:00-8:00. We are committed to bringing the best life to the next generation.
